

Robert Bruce Smith

Transcription of obituary published in the Primitive Methodist Magazine by J.D.

On October 12th, 1914, Mr. Robert Bruce Smith, of the Ealing Church, passed away in his eighty-ninth year. Born at Drax, in Yorkshire, in early life he surrendered to Christ. For many years he was associated with our Ebenezer Church, York. Then circumstances led him into Lancashire and South Wales, but eventually he settled at Ealing, with his son, the late Dr. Bruce Smith. Here he cast in his lot with our Church. His great work was that of a class leader, in which he commanded great success.

His funeral service was conducted by the writer and Rev. W. Roberts, and all felt the aged labourer had earned his rest.
